## February 2026

### MAYOR MINUTE

#### **Community is much more than belonging to something; it's about doing something together that makes belonging matter. — Brian Solis**

Towanda may be a small town, but that's exactly what makes us special. Route 66 was never just about big cities — it was about communities like ours where travelers stopped for gas, food, and a friendly face. Towanda reflects the authentic, small-town America that made Route 66 legendary.

Illinois is where Route 66 begins, and Towanda sits right in the middle of that story. Travelers passed through here as they left Chicago behind and experienced true rural America for the first time. Our stretch of the Mother Road represents the transition from city to countryside.

We don't just celebrate Route 66 as pavement — we celebrate it as a way of life. The values of hospitality, hard work, and community pride that defined Route 66 travelers are still alive in Towanda today.

The Route 66 Centennial isn't only a historic milestone — it's an economic opportunity. Visitors looking for authentic experiences are rediscovering towns like Towanda, and we are ready to welcome them, support local businesses, and share our story with the world.

Route 66 has always been about the journey, not just the destination. In Towanda, we invite travelers to slow down, step off the highway, and experience the warmth, history, and community that made this road famous. That's what the next 100 years Route 66 should be about.

Please reach out to help with Cruisin' Through the Century Details for the 100<sup>th</sup> Festivities:

The Village of Towanda will be a stop during the Route 66 Red Carpet Corridor Festival: May 2-3, 2026

- o Cruisin' Through the Century Party: June 6-7, 2026
  - Towanda will host a 1940s-themed party on Saturday, June 6.
- o The Village of Towanda will create a chalkboard display on the Towanda Parkway and Arboretum. Residents and travelers will be encouraged to sign their names, draw art, and commemorate their trip to Towanda during the Centennial. Photos of the display will create a memorial book at the end of the year.
- o Original 1926 pavement near Rapid Rocky's will be appointed as the Village's Centennial Street with photo opportunities, special signage, and opportunities for city programming throughout the year.
- o Towanda will take part in VisitBN's countywide scavenger hunt. Locations to find will include the historic stretch of Route 66 dubbed Deadman's Curve and Kick's Bar and Grill. Players must scan QR codes to log their progress in the Illinois Route 66 Scenic Byway App. We hope travelers will enjoy getting their kicks at Kick's on 66!
